In light of the ongoing pandemic circumstances in China, the 2022 fair, scheduled to take place from 28 – 30 September at the Ningbo International Conference & Exhibition Center, will be deferred. New dates of the fair will be announced in due course.

After discussions with stakeholders, the organisers made the decision in order to prioritise the safety of fairgoers and to support the government's pandemic control measures. With the sector eager for the next edition, Texcare Asia & China Laundry Expo (TXCA & CLE) will be held when it is deemed prudent for the industry to once again congregate.

As the leading trade fair for the laundry and textile care industry in Asia, TXCA & CLE provides business openings across the supply chain, including machinery, systems and accessories, chemicals and consumables, digital and intelligent solutions, energy saving and environmental protection technologies, leather care products, rental services and more.

TXCA & CLE is an annual event organised by the Laundry Committee of China General Chamber of Commerce and the China Light Industry Machinery Association, as well as Messe Frankfurt (Shanghai) Co Ltd and Unifair Exhibition Service Co Ltd.

For more details about the show, please email txcacle@china.messefrankfurt.com or txcacle@unifair.com.

The show is part of Messe Frankfurt's textile care events. For further details, please visit www.texcare.com/brand.
