共创洗染行业美好未来

金秋时节，中国商业联合会洗染专业委员会、中国轻工机械协会、广东新之联展览服务有限公司和法兰克福（上海）展览公司联合主办的“2019中国洗涤展”与大家见面了。本届展会是“中国国际洗染业展览会”与“国际纺织品专业处理（洗衣）亚洲展览会”联合后的第一届展会，实现了规模和品质上新的提升。在此，我们对参与这届展会活动的中外洗染行业同仁表示热烈的欢迎和衷心的感谢！

中国商业联合会洗染专业委员会是中国洗染行业全国性的协会组织，从筹办成立之初，就将举办行业相关展览展示活动作为协会的重要工作之一。“科学洗涤、绿色洗涤、诚信服务”是我们倡导的行业发展理念；“汇聚世界洗染行业最先进的理念和技术，让我们的家园天更蓝、水更清、衣更洁”是我们的工作目标。中国洗染行业近20年来得到了快速发展，2018年，洗染服务的营业额达1200亿，洗涤装备和化辅料的销售额近70亿。这其中，洗涤设备、化料、辅料生产技术的更新迭代，与中国洗染企业的快速发展共通共融，共同把行业的规范化、规模化、自动化、智能化付诸了现实。举办高品质的展览会议活动，是新产品新技术展示交流的重要平台，也是我们理念和宗旨的体现，更是中国洗染行业面向世界的一个重要窗口。

20届耕耘积淀，20载风雨同舟。在2019中国洗涤展召开之际，特别感谢长期以来给予我们支持、帮助和理解的中外洗染行业同仁。洗染行业是一家人，让我们携手并进，共同创造洗染行业的美好未来！

For the Better Future of Laundry Industry

Organized by China Laundry Association, China Light Industry Machinery Association, Unifair Exhibition Service Co Ltd and Messe Frankfurt (Shanghai) Co Ltd, The International trade fair for Textile Laundry, Leather Care, Cleaning Technology and Equipment (TXCA & CLE for short) finally debuts in this golden autumn. This is the first edition after the merger of Texcare Asia and China Laundry Expo. The exhibition scale and quality will achieve a new upgrade. For this we would like to extend a warm welcome and heartfelt thanks to the Chinese and foreign industry colleagues who participate in this exhibition.

China Laundry Association is a national organization of China's laundry industry. Since it was founded, it has been working to hold industry-related exhibitions as one of the important work. We advocate the industry development concept of scientific washing, green washing, and integrity service. Bringing together the most advanced concepts and technologies of the world's laundry industry to make our home bluer, clearer and cleaner is the purpose of our work. China's laundry industry has developed rapidly in the past 20 years. In 2018, the sales volume of laundry services reached 120 billion, and the sales of washing equipment and chemicals was nearly 7 billion. The rapid iteration of washing equipment, chemicals and auxiliary materials production technology with the fast development of China's laundry enterprises, has made possible the standardization, large-scale, automation and intelligence of the industry. A high-quality exhibition is an important platform for the exchange of new products and new technologies. As the embodiment of our philosophy and purpose, the exhibition is also an important window for the Chinese laundry industry to open up to the world.

We have gone through thick and thin together over the past 20 years. On the occasion of the TXCA & CLE 2019, we are especially grateful to the Chinese and foreign laundry industry colleagues who have been giving us support, assistance and understanding. Let's go hand in hand to jointly create a better future for the laundry industry as a family!

By integrating four organizers' extensive resources, the new show -- International trade fair for Textile Laundry, Leather Care, Cleaning Technology and Equipment (TXCA & CLE for short) will be presented as a high-quality industry pageant for global laundry industry colleagues.

The merger not only conforms to the trend of global economic development but is consonant with the needs of industry development. By jointly building a world-class business platform for the better industry development and technological progress, TXCA & CLE has received wide acclaim and praise from global laundry industry insiders.

The merger has significantly increased the exhibition scale with a total area of more than 30,000 square meters, bringing together more than 300 exhibitors worldwide. 国际干洗协会的成员致力于，以生产、运营、服务的高标准为客户提供最优质的服务。正是这些从业者毕生工作的知识结晶和供应商们不断开发出的新技术和新流程的支持，缔造了从业者们超高的标准和纯熟的技术。

在当今时代飞速发展 的情况下必然会萌生新的经营方式，专业纺织护理行业也将面对这些挑战，以满足客户日益增长的需求并为其提供更为高效的服务。纺织护理行业的供应商们已经意识到了这些变化，并积极更新着自己的设备，开发着新的服务，来迎接这些挑战。但是时代的变化过于迅猛，以至于每当我们完成一项新的发展，它发挥功效的时间是少之又少。

那么，我们又该如何与时俱进的呢？新技术使得信息的快速传递分配得以实现，但是仅仅通过单一产品无法传达完整的行业信息，更何况让独立的供应商们互通有无既耗时又耗财。显然，最佳解决方案就是花几天时间参加一个贸易展，比如中国洗涤展。在这里您不仅有机会看到行业正在使用的设备，而且有机会货比三家，并向市场精准地传达您的需求。不仅如此，展览会还给您提供与业内其他志同道合的运营面对面的机会，在探讨中获得宝贵、实用的信息来源，这将对您大有裨益。

在上海，洗涤清洁行业的从业者们将能够与行业的领先供应商们就当前与未来的市场需求展开讨论，了解最先进的设备和工艺。此外，参会代表们将有机会参加和展览同时开展的同期论坛活动，并从中学习到宝贵的知识。这是一个不可多得的完美机会——你可以参加论坛并了解未来发展趋势，在参观各个展位时对比不同供应商的设备和产品，共同探讨现有的技术和产品将如何促进未来的业务发展。

最后，我代表国际干洗协会感谢展会主办方在过去几年中为本次展会的发展所付出的努力和远见，并祝愿参展商在内的所有相关人士，特别是与会者们都有所收获。让我们共同期待这场丰富盛大的展会取得圆满成功。

The International Drycleaners Congress (IDC) Members are individually committed to providing the best service and their standards are the very highest in work, operations and service. Those standards and skills come from the knowledge and information that they have acquired over a lifetime of diligent effort supported by the new technology and processes developed by the suppliers.

The world is changing, leading to new ways of doing business and the professional textile care industry needs to meet these challenges in order to satisfy the growing demands from customers to provide modern efficient services. The suppliers to the professional textile care industry have been aware of these changes and are continuously updating their equipment as well as developing new services to meet the challenges. However, the pace of change is so fast that, no sooner is one new development achieved, another one is shortly available.

So how does the Industry manage to keep up to date with the latest information? New technology allows for rapid distribution of information but just reading about a product does not convey the full information and, to make contact with all individual suppliers is both costly and time consuming. Clearly, the best way is to spend a few days visiting a trade show such as Texcare Asia & China Laundry Expo. Not only does this give you the opportunity to see equipment in use but a chance to compare several products and to discuss your precise needs. It also provides the opportunity to meet with other like-minded operators in the industry, discussions with whom can often provide a valuable source of practical information which is so invaluable.

In Shanghai, cleaners and launderers will be able to discuss current and future needs with most of the leading suppliers in the Industry and, at the same time, see state of the art equipment and processes. Also, delegates will have the opportunity to attend and benefit from the educational programmes run in conjunction with the exhibition. This provides the perfect opportunity – attend the educational sessions to find out about the development and trends and then visit individual booths to discuss how these will benefit the business as well as being able to compare equipment and products from different suppliers.

IDC congratulates the organisers of Texcare Asia & China Laundry Expo on their hard work and foresight in the development of this exhibition over the last few years and wishes all concerned, including the exhibitors and, in particular, the attendees, all the very best for a successful and informative show.

欢迎来参加国际纺织品洗涤、皮革护理、清洁技术与设备亚洲展览会！Texcare Asia 和中国洗涤展合并后的首届展会无疑是值得人期待的，并且这场盛会已然是我们纺织护理行业在全亚洲最大的国际展会。

我衷心祝贺所有每一位让此次盛会召开的组织者。因为你们的付出，中国洗涤展构建了一个更加全面、更具专业性的贸易平台。此次大会的参会体验也将有所提升，同时为所有与会者提供更宝贵的交流机会和多样化的资源平台。洗涤行业的业内人士们也将有机会洞察亚洲及其他地区的洗衣业的未来发展趋势。

随着中国在技术和创新方面的飞速进步，本届活动吸引了国内及海外全球范围内的制造商来此推出其最新的产品和服务，使得行业内人士能够以此受益并获得最新技术和解决方案的第一手经验，使得更多的人可以提高他们的竞争优势。

我深表荣幸能参与此次盛会，并希望各位在上海收获美好而丰富的回忆。

Welcome to the new TXCA & CLE 2019 show! The merger between Texcare Asia show and China Laundry Expo is certainly worth waiting for as this inaugural event serves as the largest international exhibition for our textile care industry in Asia.

My heartiest congratulations to all organisers who made this possible. Presenting a more comprehensive and focused trade platform, TXCA & CLE will raise the bar on event experience, offering more valuable networking opportunities and diverse sourcing ground for all visitors. Laundry professionals will also gain valuable insights into developments and future trends of the industry in Asia and beyond.

With China’s rapid growth in technology and innovation, this edition has attracted a strong profile of local and worldwide manufacturers to launch their latest products and services where industry players are able to benefit and gain first-hand experience with modern technologies and solutions to sharpen their competitive edge.

It is my pleasure to be here and I wish all of you a fruitful and rewarding experience in Shanghai.

Happy Networking!

Congratulations on the Opening of TXCA & CLE 2019

Dedicated cultivation and comprehensive planning have birthed the grand opening of the first edition of TXCA & CLE, standing for the merger of Texcare Asia and China Laundry Expo. As one of the supporters, China National Laundry Standardization Technical Committee would like to extend enthusiastic congratulations and warm welcome to the organizers and all Chinese and foreign friends and institutions participating in the event.

China National Laundry Standardization Technical Committee (SAC/TC 520) was established in 2011. It is a technical organization approved by the National Standardization Administration Committee and established by the Ministry of Commerce to be responsible for the standardization of the national laundry industry. The committee mainly undertakes the industry standards' drafting and revising in the fields of operation management, service specifications, technical requirements and laundry quality requirements. Since its establishment, it has proposed a systematic, comprehensive and reasonable standard system for the laundry industry. While promoting the standard formulation step by step, it has formulated more than 20 standards for laundry industry, driving the coordination and management of China's laundry industry standardization.

TXCA & CLE receives high attention and powerful support from us. We believe that the exhibition is not only an indispensable exchange platform but the barometer of the industry. The high-quality exhibition plays a positive role in promoting the industry standardization in China and pushing global cooperation. I sincerely wish that the exhibition will be a complete success!
